

The original Core FURY changed the perception of pre-workouts. Gone were the pixie dust and lack of performance ingredients. In its place, a comprehensive pre-workout formula that addressed strength, endurance, and focus together.

With Core FURY X, we aren't going to change perceptions – we'll shatter them. FURY X is the most comprehensive and well-formulated pre-workout yet. Its purpose is eliminating a procession of redundant products and folding them into a single, all-inclusive formula: extreme pump, performance, energy – it's all here.

WARNING: This product is only intended for use in healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Consult your healthcare provider before using this product, especially if you are taking any prescription, over the counter medication, dietary supplement product, or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor), PDE5 inhibitor, nitrates for chest pain, or any other medication. Discontinue use and consult your health care professional if you experience adverse reaction to this product. Do not exceed recommended serving. Do not use in combination with caffeine or any stimulants, including but not limited to, coffee, tea, soda, and other dietary supplements or medications. Do not use under extreme conditions of heat, sleep deprivation, extreme cardiovascular exertion or dehydration. Do not combine with alcohol. Do not use if safety seal is broken or missing. Keep out of reach of children.

DIRECTIONS: Mix 2 scoops with 16 ounces of water and consume approximately 15-30 minutes prior to your workout. To assess tolerance, new users may want to start with 1 scoop (1/2 serving).
