

Core BURN's key, innovative ingredients may:

- Help maintain healthy body composition and lean mass†
- Support healthy cognition†
- Fight fatigue and enhance feelings of wakefulness†
- Assist in weight management†

WARNING: This product is only intended for use in healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Consult your healthcare provider before using this product, especially if you are taking any prescription, over the counter medication, dietary supplement product, or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor) or any other medication. Immediately discontinue use and consult your health care professional if you experience adverse reaction to this product. Do not exceed recommended serving. Each serving of this product contains 250 mg of caffeine. Could cause sleeplessness if taken within 4 hours of bedtime. May not be appropriate for caffeine-sensitive individuals. Do not use in combination with caffeine or any stimulants, including but not limited to, coffee, tea, soda, and other dietary supplements or medications. Do not use under extreme conditions of heat, sleep deprivation, extreme cardiovascular exertion or dehydration. Do not combine with alcohol. Do not use if safety seal is broken or missing. Keep out of reach of children.

DIRECTIONS: To assess tolerance, start by taking 2 capsules with food in the morning. An additional 2 capsules can be taken with food 5-6 hours later. Once tolerance is assessed, serving can be increased to 3 capsules in the morning and 3 capsules 5-6 hours later. Do not exceed 6 capsules in a 24 hours period. Do not use longer than 8 continuous weeks without a 4 week break. Do not take with any other products or foods containing caffeine or other stimulants.
